

Music Video Clip Production

Music Video Production

Music Videos / Video Clips offer a great way to gain exposure, increase your fan base and re-enforce your image.

Music Video Clips do not have to be expensive and are now becoming more practical for bands wishing to be seen on Television, YouTube or other social media outlets.

When choosing to have a Music Video made leave it in the hands of industry professionals.

Not only do you have an image to uphold but you need to compete with US and label pushed bands.

MusicVideoClips.com.au is partnership organization of film makers, working in conjunction with Immersion Imagery & Kontrol Productions, accumulated 60+ years experience in film and television.

We endeavor to offer a quality creative music video to suit your budget and needs.

What we can offer:

- HD or 4K Video Capture
- Concept & Story Board
- Pro Video Editing
- Including Special Effects
- Colour Grading
- Green Screen shooting
- Location Shooting
- Lighting Design
- Studio shooting
- Choreography
- Make-up artist & Stylist
- Still photography

Working in collaboration with you we will endeavor to produce a music video that best portrays the look and feel you are trying to achieve. So you want a music video?
